

How to claim your Locals Ticket

1. Scan the code on your voucher with your smart phone or navigate to <https://bit.ly/3n2WhRV> and select your city.

2. Enter the unique Locals Code printed on your voucher.

Code must be claimed within 7 days of purchase.

3. Select your Locals Ticket and any additional passes you wish to purchase.

One offer code = one ticket. If redeeming multiple codes, each will need to be done individually.

Note: Bus and Express Passes are subject to availability.

4. Please fill out all the attendee information (this is important for COVID-19 contact tracing) and payment information (if required), click "**Confirm & Pay**".

5. Your Locals Ticket is now secured, and you will receive an email with your ticket attached.

If for any reason you lose your offer code or require assistance, please contact Moshtix:
